WHO WE ARE

Northchurch Baptist Church (NBC) has been a worshipping community near Berkhamsted in Hertfordshire for over 150 years.

NBC aims to be a loving community, proclaiming Jesus the Saviour, Healer and Deliverer. We are working to see His Kingdom come and will be done on Earth.

Our vision is that we will journey together as a body of believers, growing in love and faith as individuals and as a community. We aim to grow in the spiritual disciplines, to obey Jesus' commands, to pray, give and fast. We want to following His teaching and example, rejoice in His love and goodness, and share Him with all in Northchurch, Berkhamsted and beyond.

We want our young people to find faith in God for themselves and to be filled with the Holy Spirit as part of the church today. We want to support them in their spiritual journeys by inspiring them and encouraging them in their love for Jesus.

OUR VALUES

We recognise that the heart of the church life is not about putting together clever, entertaining programmes but helping people, our young people especially, to meet with Jesus. We must ensure that all we do and say is formed and shaped by our church core values, which are ...

Missional

In every area of life, individually and together, we will reach out to others with the love of God, to be His hands and feet and the voice of Jesus on the earth.

Biblical

We will seek to live under God's authority, in keeping with the truths of scripture as they have been interpreted and taught by His church through the centuries.

Loving

In all that we are and do we seek to love God with all that we are and our neighbours as ourselves.

OUR VISION FOR THIS ROLE

Can you help us develop our youth work and encourage our young people in following Jesus?

Are you passionate about making a lasting change to young lives, helping them build skills and knowledge so they can thrive and live the Christian life in all its fullness?

Do you relish the challenge of helping young lives explore the Christian faith?

Do you want to stretch your skills, improve your practice, gain actionable knowledge and work with an excellent NBC staff team?

If you find yourself answering 'yes' to these questions, we would love to hear from you.

You would play a key role developing the work we undertake with our own young people as well as in the community, which will include taking assemblies in local secondary schools.

We need a highly motivated and conscientious person capable of delivering quality work with young people. Our Youth Worker needs to have excellent interpersonal skills and be a good communicator.

This is an exciting opportunity for you to do something innovative. We are well resourced, and have everything you need to reach your potential. You will be given the freedom to develop and grow. We're looking for the right person to take up the challenge. If you want to make a lasting difference to young lives, this is a great time and a great place to do that.

THE ROLE

This role is an exciting opportunity to train, equip and encourage young people (11 - 18 years of age) to find faith in God for themselves, to be filled with the Holy Spirit and to be a part of the church today. The individual will be expected to lead young people in a relevant, contemporary, authentic manner, and to communicate well with the parents and carers of young people in the church and the community.

While not essential, experience in overseeing volunteers and competency in both administration and the use of technology would be desirable.

The successful applicant will have a heart for young people and for sharing the good news of Jesus. They will model a godly example of Christian discipleship and will be able to work as part of a small team, motivated to facilitate the growth of God's kingdom in Northchurch and the surrounding areas.

Closing date 22nd November 2023.

Interviews to be held in December, 2023.

Start date can be discussed.
